Technical Data Sheet

Nålfilt 350 g/m²

Product code: Nålfilt 350 g/m²
Composition: 100% PET
Color: White

| Parameter | Unit | Test method | Average Value |
|--------------------------|------------------|---------------|---------------|
| Basis weight | g/m ² | EN 9073-1 | 350 (± 28) |
| Thickness | mm | EN ISO 9073-2 | 3 (± 0,5) |
| Tensile strength (MD) | N/5 cm | EN 9073-3 | ≥ 480 |
| Tensile strength (CD) | N/5 cm | EN 9073-3 | ≥ 210 |
| Elongation at break (MD) | % | EN 9073-3 | ≤ 70 |
| Elongation at break (CD) | % | EN 9073-3 | ≤ 130 |

This is not a specification. Properties are given as typical values.
