

Technical Data Sheet

Universal absorbent med PE-film

Product code: MS390R08001200L
Composition: PP SB / PP MB / PE-film
Color: Grey
Treatment: Hydrophilic

Parameter	Unit	Test method	Average Value
Basis weight	g/m ²	CSN EN 29073-1	350-450
Absorption capacity*	l/kg	BS 7959-1:2004	7-9
Saturation time* average	s	BS 7959-1:2004	3
Saturation time max	s	BS 7959-1:2004	10
Dimension tolerance	%		2

*For testing of absorption parameters, distilled water at 20 °C (± 2 °C) was used.

This is not a specification. Properties are given as typical values.
